Categories:

There are three categories we pick from totally on his or her performance:
•Individual sport •Multiple sports •Coaching teams

A person does not have to excel in high school sports if he or she goes on to excel in college or as a professional (or the Armed Forces). If a person did not attend college or had a professional career, he or she must have excelled in high school and had outstanding statistics in the sport he or she played. The same applies to sand lot play.
